

National University Virtual High School Proctor Approval Form

In our commitment to maintaining academic integrity National University Virtual High School offers the option to have major assessments proctored. Students may utilize National University's proctoring services or choose to have their assessments proctored at their primary school by a qualified proctor. A proctor may be a school or university/college official, librarian or a representative from a testing/learning center. An approved proctor may not be a family member, personal friend, student's employer, tutor, or athletic coach. Qualified proctors must submit this approval form and consent to uphold the outlined agreements prior to proctoring the assessment.

By signing this form both the student and designated proctor agree to the terms outlined above and to adhere to the NUVHS policy governing the proctoring of all major assessments.
