

WE HAVE SOMETHING IN COMMON...

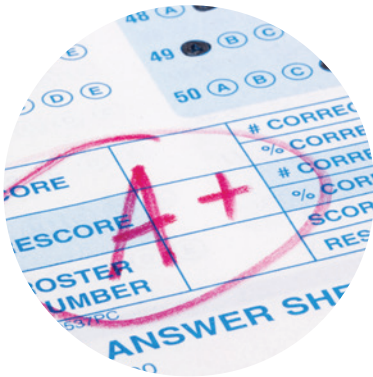

Student success is your primary focus, and at National University Virtual High School, it's ours too.

Let's Partner for Enhanced Educational Opportunities

NATIONAL UNIVERSITY
VIRTUAL HIGH SCHOOL

An affiliate of the National University System

The youth of today are more technologically savvy, more independent, and more driven than ever imagined. Plus, gaining college acceptance is more competitive than ever. High school students are at a critical point that can really dictate their path in life. Being provided with a variety of academic pathways, students can reach their goals—whether it's gaining college admission or graduating from high school.

National University Virtual High School (NUVHS), an accredited, comprehensive online high school, would like to partner with your school to increase academic offerings that will provide your students with the option to take challenging college-prep and Advanced Placement (AP®) courses in an engaging online learning environment.

**TOGETHER, WE CAN CREATE
BRIGHTER FUTURES**

PICK YOUR PARTNERSHIP

Organizational Partnership

Establish a partnership with NUVHS and enable your students to complete supplemental online courses. Students will benefit from taking any NUVHS college-prep or AP® course, including University of California (UC) a-g, NCAA, and NAIA approved courses at a 10 percent reduction in tuition. With this option, your school can utilize our highly qualified and credentialed teachers, who are seasoned in online learning, to deliver online courses not currently offered at your school.

Curriculum Partnership

Enhance your school's course offerings by providing access to a customized version of our learning management system that is accessible from your school's website. Utilizing our easy-to-navigate learning management system (Blackboard®), your experienced online teachers can deliver additional courses via the web. This course hosting option gives your school access to our curriculum and platform to provide NUVHS developed college-prep and AP® classes at your school.

By partnering with NUVHS, your organization is further demonstrating your commitment to student success. It's challenging for one school to meet every student's individual needs. Whether they are falling behind and need to get back on track, or are advancing at a rapid pace and want to get ahead for college, each student receives the additional, personalized help they need.

Offered year-round over three academic terms, all NUVHS courses have been written by subject-matter experts, are aligned to the Common Core State Standards (CCSS), and incorporate a variety of curricular components, including:

- **Multi-media based content**
- **Interactive assignments**
- **Project-based activities**
- **Formative and summative assessments**
- **Lectures**
- **Synchronous and asynchronous capabilities**

As a comprehensive, diploma-granting, and accredited high school, NUVHS offers over 100 online college-prep and AP courses in a wide range of subject areas. Each class is instructor-led, and students remain in close communication with teachers who can provide individualized support. Students around the world take online courses with NUVHS to:

- **Improve their GPA**
- **Graduate on time**
- **Get ahead for college**
- **Take courses not currently at your school**
- **Make up a course**

WHAT'S IN IT FOR YOU?

- Increase your school's graduation and college acceptance rates
- Give parents the peace of mind that their child has the resources they need to succeed
- Provide students with a large selection of exciting course options
- Receive reduced tuition rates through partnership enrollments

Ms. Nahsohn
English Teacher, AP Literature
and Composition

What's in it for the Students?

It takes a special kind of student to thrive in online education—one who can work independently, possesses good time-management skills, and is highly motivated to achieve.

Although NUVHS courses are challenging, students tend to excel because they are learning the material at their own pace, and receive personalized attention from instructors. If a student enrolled in NUVHS-taught courses is struggling, instructors will intervene to provide necessary support.

In conjunction with National University (NU), students enrolled in NUVHS-taught courses have access to:

Student Concierge Services—provides support for parents and students

NU Library—one of the largest online libraries in the U.S.

NU Writing Center—offers help with drafting, revising, and organizing written work

NU Mathematics Center—offers tutoring in mathematical problem solving

College and Career Center—prepares students for college with individualized advice and assessments

Additional benefits include:

- Continuous open enrollment for fall, spring, or summer academic terms
- Flexibility to complete courses at a personalized pace
- 24/7 access to the help desk and tech support
- Frequent communication with instructors
- Special attention to students' preferred learning styles
- Small class sizes for a dynamic environment

ACCREDITATION, APPROVALS, AND AFFILIATIONS

NUVHS continuously strives to achieve rigorous external accreditations as part of its commitment to providing the highest quality coursework within the online learning environment.

NUVHS is accredited by the Western Association of Schools and Colleges (WASC) Accrediting Commission through 2019, and through the AdvancED organization.

High Academic Standards

In addition to completing rigorous external accreditation processes and approvals, NUVHS has also received approvals from:

- The College Board
- The University of California Office of the President (UCOP)
- The National Collegiate Athletic Association (NCAA)
- The National Association of Intercollegiate Athletics (NAIA)

NUVHS possesses NCAA and NAIA authorization for all core courses, allowing student athletes to meet initial eligibility requirements for participation in college athletics.

All NUVHS AP® courses meet demanding academic standards and have been approved by the College Board. Additionally, NUVHS has been approved by University of California

System as an approved UC “a-g” online course provider, and has received “a-g” individual course approval for over 40 semester online courses. In California, meeting the “a-g” requirements ensures that students are academically prepared for college-level coursework and possess a strong foundation across all subject areas.

National University System Affiliation

NUVHS operates under the Division of Pre-College Programs within the National University System (NUS), which is an alliance of educational institutions, including: National University, John F. Kennedy University, National University Academy, and City University of Seattle. NUVHS is also affiliated with a number of professional and educational organizations that provide guidance in educational trends and online learning, as well as serve as a source for current educational research in the fast evolving arena of online education.

Affiliation include:

- International Association for K-12 Online Learning (iNACOL)
- International Society for Technology in Education (ISTE)
- Computer Users in Education (CUE)
- Association of California School Administrators (ACSA)
- National Association for College Admission Counseling (NACAC)

TECHNOLOGY

Technology

NUVHS courses are provided via Blackboard®, an internationally recognized and easy-to-navigate learning management system. The Blackboard® platform incorporates a variety of teaching and learning tools, as well as enhanced measurement mechanisms designed to assist teachers as they monitor student learning, course progression, and achievement. The learning management system also incorporates multiple tools designed to enhance student-to-student and student-to-teacher interaction and collaboration, further strengthening the teaching and learning process.

Accessible 24 Hours a Day

Students have the ability to log into their courses at any time to work on subject-matter requirements. The NUVHS technical support team is also available 24/7 to assist students, parents, instructors, and partners with any questions or issues related to their course(s).

OUR MISSION

National University Virtual High School is committed to providing interactive, media-rich educational opportunities in a flexible, student-centered learning environment to a diverse population of learners.

CORE VALUES

Innovation—Students attain a rigorous high school education online, enhancing 21st century learning skills

Opportunity—Students can recover credits, accelerate academics, or improve grades

Achievement—Students must demonstrate their ability to perform academically in an alternative learning environment

Collaboration—Students and teachers collaborate through the online course design and tools

Flexibility—Students have the flexibility to learn when, where, and how they want

WHAT'S THE COST?

Organizational Partnership

Organizational Partnerships established with NUVHS qualify for a 10 percent tuition rate reduction per student. Current tuition rates through partner affiliation are:

- College-prep: \$280 per student, per semester course (regularly \$310)
- Advanced Placement (AP®): \$355 per student, per semester course (regularly \$395)

There is also a one-time, non-refundable \$60 admission fee for each student.

Curriculum Partnership

Please contact NUVHS to determine the scope of work and associated costs.

Scholarships

Students are eligible to apply for scholarships for math and science courses. To apply, students are required to submit an application that includes a completed essay. Your school will receive an additional tuition discount for eligible students. Contact NUVHS for more information.

Textbooks

Partnering organizations are required to provide their students the course required textbooks. Certain courses will require a \$60 materials fee or purchase of a traditional hard copy text. (Please refer to the current NUVHS Course Approval Chart for specific courses).

LET'S PARTNER FOR STUDENT SUCCESS

The NUVHS partnership team is readily available to answer any questions, or get you started. Contact us today, and together let's provide every student with a path to achieve academic success.

To offer enhanced educational opportunities at your school, please call **866.366.8847** or email info@nuvhs.org.
